Working side by side with educators to maximize student learning

MN Relicensure Day!

Is your Minnesota teaching license coming up for renewal? Here is an opportunity to address five of the relicensure areas with application to your K-12 music classroom! Each area will be addressed in a separate two-hour session, so you can register for and attend only the area(s) you need. Most examples will come from music classrooms, but all educators are welcome. Bring a colleague!
